Description

The Council wishes to appoint an ENplus® trader/producer who can source 6mm wood pellets to the ISO 17225-2 standard and ENplus® class A1 and deliver to the Council and any other contracting authority in accordance with this framework agreement in the same quality and to the same specification. This needs to be in place on the award of contract and maintain this throughout the initial term of the contract and any extension periods.

The Council also wishes the same Provider to be able to coordinate and provide a wood pellet store cleaning service. It is expected but not guaranteed that for the 17 Core Sites store cleans will be carried out a minimum of once every two years.
