Scope

Description

The Staffordshire Commissioner for Police, Fire and Rescue, and Crime (The Commissioner), wishes to commission a free, effective, Child Criminal Exploitation Prevention Service across Staffordshire and Stoke-on-Trent, which will:

- Prevent children and young people becoming affected by Child Criminal Exploitation;
- Prevent children and young people becoming affected by violence;
- Safeguard Children and Young People;
- Improve children and young people's behaviour, engagement and attendance at school;
- Increase children and young people's resilience to overcome barriers;
- Increase children and young people's ability to make informed positive choices;
- Reduce rate of school suspensions;
- Reduce rates of school exclusions;
- Reduce the likelihood of young people's contact with the criminal justice system;
- Increase engagement in relevant support services;
- Improve life chances for children and young people.

Estimated total value of the contract is up to £2,595,000 over 5 years. This includes the core service value and potential additional funding (demand-led).

Total value (estimated)

- £2,595,000 excluding VAT

- £3,114,000 including VAT

Competitive flexible procedure

Special regime

Light touch

Competitive flexible procedure description

Stage 1 - Written Submission and Evaluation

Stage 1 responses will be evaluated using a combined assessment approach:

- 90% of the Stage 1 Score will be based on Price per Quality Point, covering 10 weighted technical questions including Social Value and Price
- 10% will be based on a Weighted Evaluation Method assessment of one technical question evaluated by a panel of trained young people.

These two components will form Stage 1 score out of 100 - to two decimal places.

Following the conclusion of Stage 1: The top three scoring suppliers will be shortlisted and invited to the Presentation Stage.

Stage 2 - Presentations

The top three shortlisted Suppliers will participate in the Presentation Stage, responding to three scenario-based questions. This stage will be scored using a different scoring matrix to assess the presentations. Each

presentation will be scored using a WEM approach with equal weightings:

- 5% for each scenario (totalling 15% of the overall score)

These scores will be added to the 85% carried forward from Stage 1, forming the final evaluation score used to identify the Most Advantageous Tender. The total final score will be calculated by combining:

- 85% from Stage 1 (75% from PQP and 10% WEM), and 15% from Stage 2 Presentations.
