Description

This procurement will establish a Contract for the provision of CfD Metering & Measurement Assurance Services for the Low Carbon Contracts Company Ltd ("LCCC").

The purpose of this procurement is to appoint a suitable partner to provide technical assurance in relation to the metering, measurement and related assurance requirements set out in the CfD scheme, and as the CfD evolves over the coming years. The advisor will support LCCCs Operational Assurance Metering team to ensure compliance against metering and similar assurance obligations, carry out site audits and provide advisory services when necessary.

Full details can be found in the Invitation to Tender.
