## **Section VI. Complementary information**

### **VI.3) Additional information**

This is a Provider Selection Regime (PSR) intention to award notice.

The awarding of the contracts is subject to the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award.

The standstill period begins on the working day after the publication of this notice. Representations by providers must be made to the relevant authority by midnight on 27 December 2024.

The contracts have not yet formally been awarded; this notice serves as an intention to award a contract under the competitive process of the PSR.

Written representations should be sent via email to [necsu.psrprocurement@nhs.net](mailto:necsu.psrprocurement@nhs.net).

NHS England - North West, Health and Justice (the Relevant Authority) Direct Commissioning Committee (DCC) were the award decision-makers.

Three responses were received.

The Relevant Authority agreed the relative importance of the key criteria and apportioned weightings to specific questions aligned to the key criteria. Providers were asked to demonstrate and evidence, by responding to the specific questions, how their proposed service delivery model would ensure that the relevant key criteria will be delivered. The responses were evaluated in relation to each provider's ability to provide the services in alignment to the 5 Key Criteria.

Conflicts of interest were completed by all involved in the process. One conflicts of interest was identified among the group of evaluators. The non-conflicted members have assessed the nature and risk of this conflict, and have decided to exclude the evaluator from the process.
