The Limmo project provides an opportunity for an experienced property developer to partner in a joint venture with Places for London to deliver a sustainable, place-based design which will act as a catalyst for further regeneration of the local area.

The Limmo site comprises 5 hectares of brownfield land located entirely in the London Borough of Newham (LBN) and is one of East London's largest remaining brownfield sites with over 600m of river frontage. With direct links to the Jubilee and DLR lines, it is less than 20 minutes from central London.
