- 85000000 - Health and social work services

II.1.3) Type of contract

Services

II.1.4) Short description

Warwickshire County Council (the Council) and ICB are seeking tenders for their Community Services for Working Age Adults (WAA), with learning disabilities, autism, mental health or

physical disabilities. This is a refresh tender for Lot 3a and 3b to allow new providers to apply for a contract for these services and to allow those who are unsuccessful first time around to re-apply.

(Note: Providers who were successful in being awarded a contract previously should not reapply for any Lots they were awarded).

The purpose of care and support commissioned through this model is to enable people to live good and fulfilling lives by being supported to achieve the things that are important to them.

The support people can access will comprise three broad elements:

- Support to live independently in my own home (Independent Living)
- Support to live a fulfilling life in my local community (Community Opportunities)
- Support for my family and carers (Overnight Opportunities)

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

- 85000000 - Health and social work services

II.2.3) Place of performance

NUTS codes

- UKG13 - Warwickshire

Main site or place of performance

Generally within the County Council boundaries of Warwickshire County Council and Coventry City Council but also may be outside the boundaries

II.2.4) Description of the procurement

3a - Complex Physical Health Needs

Individuals are likely to have multiple complex physical health needs. We will be looking to commission a range of providers with specialist skills in relation to:

- Complex physical health needs; Mental Health needs; Profound and multiple learning disabilities;
- Individuals are likely to need longer-term care and support, often on a full-time basis. With the right specialist support this may reduce over time as people build their networks and skills.
- Providers will have the necessary registration to undertake regulated activities and staff will have specialist skills in relation to managing complex physical health needs.

3b - Complex behaviours

Individuals are likely to have behaviour that challenges, behaviours of destructive nature, experienced trauma, forensic needs or fluctuating mental health needs. We will be looking to

commission a range of providers with specialist skills in relation to:

- Dual diagnosis including physical needs, mental health and/or learning disabilities and/or autism;
- Complex behaviours;
- Behaviours that can challenge services;
- Trauma informed practice.
- Forensic Needs

Individuals are likely to need longer-term care and support, often on a full-time and 24/7 basis, including 1:1, 2:1, 3:1 support and higher. With the right specialist support this may reduce over time as people build their networks and skills. Providers will have the necessary registration to undertake regulated activities and staff will have specialist skills in relation to Positive Behaviour Support & support and liberty protection safeguarding.

II.2.7) Duration of the contract or the framework agreement

Duration in months

99

II.2.14) Additional information

The initial contract term will be from 28th April 2025 to 31st July 2028 however the Council reserves the right to extend the contract by further periods not exceeding 60 months (60 being the maximum available extension period) at the discretion of the Council based on the contract performance of the successful applicant.

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.4) Objective rules and criteria for participation

List and brief description of rules and criteria

All as detailed in the tender documentation.

The Council will undertake its financial assessment of the tendering organisation (and if considered necessary by the Council, any partners within a consortium bid) based on its own

evaluation of the Tenderers most recent 2 years accounts (or if 2 years accounts are not available, equivalent evidence which confirms financial viability). The assessment of accounts will be supported by an independent credit reference report from Creditsafe where this is available. The Council may also impose a Bond or Performance Guarantee on the successful Tenderer

Section IV. Procedure

IV.1) Description

IV.1.1) Form of procedure

Open procedure

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

Section VI. Complementary information

VI.2) Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.3) Additional information

After this tendering process has been completed and the contracts have been awarded the Council may be running further competitions for the same service. This is to allow new

providers to apply for a contract for Community Support and to allow those who are unsuccessful first time around to re-apply. This process will include the same documentation as this tender (with the exception of dates etc). These competitions will be live for the period of 3 to 6 months. However, if the Council receives a high level interest for the service the Council reserves the right to close the competition at an earlier date.

During the course of the contract period the range and scope of these services may be subject to modification and variation to meet the changing needs and requirements of the Council and partners, potential changes in legislation and the changing demands placed on the Council by its customers. These changes may include (but are not limited to): -

- Increases or decreases in funding - this will usually be due to reductions or additions in budget allocations as part of the Council and partners' budget setting processes, It may also

be as a consequence of additional funding streams which were unknown at the time of awarding the contract but which are provided to increase the volume of services delivered.

- • Changes in legislation that may for example require the inclusion of new customer groups
- The identification of additional service recipients, not originally captured by the scope of the contract

Opportunities offered by emerging/ new technologies

- Ongoing performance monitoring indicating a change required in allocations made for each

service element from the overall funding amount
