### **Scope**

### **Reference**

DN773799

### **Description**

This framework will deliver a range of disabled adaptations to Bristol City Council (BCC) properties, supporting residents to live safely and independently. Works across four lots include installing accessible bathrooms, kitchens, minor adaptations such as grab rails and ramps and specialist equipment including stairlifts and through-floor lifts, as well as repairing existing adaptations. The framework aims to improve daily life for older, disabled and other vulnerable residents. Adaptations may be carried out in both occupied and vacant properties. Contractors are expected to deliver high-quality, compliant installations and responsive repairs that reflect BCC's commitment to meeting residents' diverse needs with dignity and respect.
