II.1.4) Short description

Thames Water's Capital Delivery Office is planning to spend circa £1.34bn on remaining AMP7 and upcoming AMP8 major projects. The indicative pipeline aims to inform the market of Thames's current procurement and delivery plans for its major projects.

The pipeline will be updated and shared regularly to ensure that the latest information is available.

The pipeline can be found on Thames's webpage at:

<https://www.thameswater.co.uk/about-us/working-with-us/capital-delivery-major-projects-pipeline>.

The pipeline is relatively fluid and therefore neither the publication of the anticipated pipeline, nor any of the information presented at the webinar, should be taken as a commitment or representation on the part of Thames Water Utilities Limited (or any other organisation) to enter into a contractual arrangement or to proceed with a procurement.

Circumstances may change and we cannot guarantee that the requirements, contract value, procurement procedure and/or timeline will be as stated. Periodic pipeline publications and associated events will be used to provide visibility of the evolving Thames Water Capital Delivery major projects pipeline.
