Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

Compatibility - the goods and services required for this project (upgrade for hardware and software) links with works previously done to recover our CCTV systems post cyber-attack in 2023. Continuation with the incumbent supplier will allow for a seamless approach including software licenses that are purchased. The incumbent supplier has detailed knowledge and understanding of our systems, campus layout and the scope of works required. This will also enable the emergency upgrade of existing equipment which is essential for daily operations. Also there was no available frameworks.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section V. Award of contract/concession
