Description

This contract is for the delivery of a digital Tier 3 weight management intervention led by Roczen Ltd as part of the RENEW Study. The RENEW Study is a 3-year clinical research project funded by the National Institute for Health and Care Research (NIHR) in collaboration with King's College London and Guy's and St Thomas' NHS Foundation Trust. Roczen Ltd will provide a bespoke digital behavioural programme to Tier 3 patients and support evaluation and reporting aligned to the research protocol.

Procedure

Procedure type

Direct award

Direct award justification

Single supplier - intellectual property or exclusive rights

This contract is being directly awarded under Section 42(1)(c) of the Procurement Act 2023, which permits direct award where the goods, services or works can be supplied only by a particular supplier for reasons connected with the protection of exclusive rights. Roczen Ltd is specifically named in the NIHR funding award as the designated delivery partner for the RENEW Study. The intervention is based on their proprietary methodology and platform, which is not available through any other provider.
