The Money and Pensions Service (MaPS) is an arm's-length body, sponsored by the Department for Work and Pensions, with a joint commitment to ensure information, guidance and advice is provided to members of the public in the clearest and most cost-effective way.

This Notice is notification that, following a consultation phase, MaPS is now moving into the early stages of market engagement for the commissioning of its community-based debt advice services. MaPS invites the sector to engage and seeks early input to develop the requirements.

This is a first step to engaging widely over the coming months. This phase will involve three virtual engagement events, where we propose to discuss the following elements of the requirements:

Event 1: The competitive process, Geography & lotting, length of agreement, budget & should cost modelling, target clients and delivery channels

Event 2: Payment approach, performance monitoring, data and reporting requirements, value for money

Event 3: Workforce wellbeing, Social Value, accessibility, service transition, quality assurance and training

The content of each session may be subject to final amends.
