Description

Kirklees Council is looking into a potential procurement option to put in place future contractual arrangements for suitably qualified and experienced organisations to deliver Planning and Building Control case management. To support this, we would like to gain information from the market regarding a number of issues related to the potential procurement exercise. Suppliers are therefore invited to consider the programme requirements detailed in this document and complete the attached questionnaire to give us feedback on the proposed approach. This Market Sounding Exercise (MSE) is not an invitation to tender or a request for formal expressions of interest. The Council, as contracting authority, is issuing this request for information only, in order to assess the reaction of the market and thus make any potential procurement process more focused and efficient.
