Scope

Description

Following previous market engagement under Crown Commercial Services ("CCS") Frameworks, the purpose of this prospectus (and any associated published procurement notices) is for the Environment Agency (the "EA") to carry out preliminary market engagement via a Request for Information (in advance of commencing any formal procurement process) for the potential procurement of a Secure By Design, compliant, and streamlined file management solution for Asset Management. This includes a Common Data Environment (CDE) process to support whole lifecycle asset management information. This solution will serve as a single, consistent source of truth for all Asset Management files and data (past and present) across the full asset lifecycle.

Total value (estimated)

- £4,500,000 excluding VAT
- £5,400,000 including VAT

Above the relevant threshold

Contract dates (estimated)

- 5 January 2026 to 4 January 2031
- Possible extension to 4 January 2036
- 10 years

Engagement

Engagement deadline

1 August 2025

Engagement process description

Following previous market engagement under Crown Commercial Services ("CCS") Frameworks, the purpose of this prospectus (and any associated published procurement notices) is for the Environment Agency (the "EA") to carry out preliminary market engagement via a Request for Information (in advance of commencing any formal procurement process) for the potential procurement of a Secure By Design, compliant, and streamlined file management solution for Asset Management. This includes a Common Data Environment (CDE) process to support whole lifecycle asset management information. This solution will serve as a single, consistent source of truth for all Asset Management files and data (past and present) across the full asset lifecycle. In order to respond to access and review the RFI documents and respond to any future notices, prospective tenderers are kindly requested to register a supplier Portal Account on our eSourcing system where we will also be running any future invitations to tender. A registration link can be accessed below and in the 'Contracting Authority' section of this notice. If you have any technical issues, please reach out to the helpdesk team for assistance via the contact details in the link. <https://defra-family.force.com/s/Welcome> Prospective tenderers are requested to please complete a response to the market engagement questionnaire detailed in Appendix 1 of the prospectus document by 31.07.2025.
