Section II: Object

II.1) Scope of the procurement

II.1.1) Title

River Restoration and Invasive Species Control All Wales Framework

Reference number

itt_102691

II.1.2) Main CPV code

- 45246200 - Riverbank protection works

II.1.3) Type of contract

Works

II.2) Description

II.2.1) Title

River Restoration

Lot No

1

II.2.2) Additional CPV code(s)

- 45246200 - Riverbank protection works
- 45342000 - Erection of fencing
- 03450000 - Tree-nursery products
- 77310000 - Planting and maintenance services of green areas
- 14212100 - Pebbles and gravel
- 92534000 - Wildlife preservation services
- 92530000 - Botanical and zoological garden services and nature reserve services

II.2.3) Place of performance

NUTS codes

- UKL - Wales

Main site or place of performance

River catchments across Wales

II.2.4) Description of the procurement at the time of conclusion of the contract:

The procurement will be for a River Restoration and INNS Control framework for all of Wales which will support delivery of various large scale projects including 4RiversforLIFE project, NRW's River Restoration programme and 'business as usual' spend including fisheries and flood risk management operations. The projects will use long term nature-based solutions to improve the ecological quality of the Welsh rivers by improving accessibility for migratory fish, improving habitat structure and function, and improving water quality. This will be delivered by working with local

communities, landowners and contractors. The forthcoming works are to be delivered across Wales to improve the conditions of rivers for multiple target species through multiple

actions including:-

- Creation of riverside corridors with stock fencing and tree planting
- Introduction of gravel, boulders, woody debris, soft revetment
- Removal of small weirs or culverts
- Removal of hard bank revetment.
- Creation of log pile otter holts.

Land management improvement through the following interventions

- On-farm improvements to draining and pipework
- Installation of mains and natural water supply troughs
- Yard works including concrete work, hard-coring gateways, roof water guttering, grey water harvesting

This work will be sub-divided into 7 geographical lot areas as follows:

North West Wales

North East Wales

Upper-mid Wales

Lower-mid Wales

South West Wales

South Central Wales

South East Wales

See tender documents for more lotting information and area maps.

II.2.7) Duration of the contract, framework agreement, dynamic purchasing system or concession

Start date

1 November 2023

End date

31 October 2027

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

The Public Contracts Regulations 2015 72(1)(a)

Framework rates revised in line with:

Iron & Steel index reduced from 205.8 to 198.2.

Timber index decrease -2.5%.

SPPI 'other services' increase 1.6%.

Addition of KPI on 'Works Start Date'.

VII.2.2) Reasons for modification

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

Annual review of framework rates included within the original framework agreement measured against Iron & Steel Index, Timber index, and SPPI 'other services'.

Add an additional KPI to address performance issues relating to lack of communication on start date for works and keeping to it.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £16,000,000

Total contract value after the modifications

Value excluding VAT: £16,000,000
