Five primary schools in Hillingdon are collectively tendering their catering services, aiming to commence the contract on 1st August 2025 in Lot one, 1st September 2025 in Lot 2. Of these, two Schools have in-house services and three are delivered in from the production kitchen based at Whiteheath Junior School. The initial contract duration is set for three years, with a potential extension for two more years contingent on client satisfaction and mutual agreement on budgets and service levels. The Schools are tendering their catering services across two Lots using a two-stage tender process, beginning with a Selection Questionnaire (SQ) stage followed by an Invitation to Tender (ITT) stage after shortlisting. This process is managed under the Light Touch Regime, and the schools reserve the right to refine the award criteria throughout the process. Lot One consists of four schools: Whiteheath Junior School, which includes the production kitchen for all four schools and delivers in the following three schools; Whiteheath Infant and Nursery School, St. Swithuns Catholic Primary School and Warrender School. Annual Turnover circa £250,000. Lot Two is Hayes Park Primary School, which has its own kitchen and dining facilities. Annual turnover circa £195,000. This contract will reward maximising sales and FSM uptake through pro-active management, consistently high food quality and tangible contract support. The Schools and CCL expect the successful Contractor to reasonably guarantee their financial proposal and maintain excellent standards. The Schools have requested that in this tender exercise the bidders focus on: A TUPE Compliant Bid with additional recommendations on service equipment, serving points, staffing levels and a bespoke food concept to drive sales and uptake. In short, the Schools need to be convinced the bidders are able to deliver their promises, achieve their sales targets, deliver their service enhancements in full and support the Schools. Should the Schools not be convinced of this they reserve the right to revert to an 'insourced' solution or post no award. Any investment proposals will need to be consistent with ESFA guidelines. The successful bidder will be expected to operate with a strong partnership, integrity and honesty.
