This supported the rebuild and refurbishment of more than 170 schools.

The second tranche of investment (Band B) began in April 2019. It was expanded to include further education colleges and renamed the '21st Century Schools and Colleges Programme'. In January 2022 the Programme was renamed 'Sustainable Communities for Learning (SCfL)' to make a clear statement about Welsh Government's commitment towards the environment, community cohesion, and Wales' future generations. This latest Programme will see a further GBP2.3 billion investment in school and college infrastructure utilising both public capital and revenue.
