II.1.4) Short description

The Department of Agriculture, Environment and Rural Affairs (DAERA) published its Lough Neagh Action Plan in July 2024 and is planning to undertake a programme of high-resolution water quality sampling and analysis in Lough Neagh and its tributaries, fully coordinated with statutory (Water Framework Regulations) related surveillance programmes. This Lough Neagh programme is to include frequency real time water quality monitoring at the six Lough Neagh tributaries to guide the development and validation of new catchment-based models. The data for Lough Neagh and its tributaries will be collated into a single accessible IT enabled platform. When developed this platform should aim to provide near-real time water quality information to stakeholders and be a tool for behavioural change. The Supplier must deliver the equipment by 31 March 2025. Please see ID 5674464 – Specification for full details. Due to the urgent nature of this requirement the 'Accelerated Open' procedure has been chosen in accordance with Regulation 27 (5) of the Public Contracts Regulations (as amended) which states "Where a state of urgency duly substantiated by the contracting authority renders impracticable the time limit laid down in paragraph (2), it may fix a time limit which shall be not less than 15 days from the date on which the contract notice is sent"

VI.2) Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.3) Additional information

The successful contractor's performance on the contract will be regularly monitored in line with the tender documentation. Contractors not delivering on contract requirements is a serious matter. It means the public purse is not getting what it is paying for. If a contractor fails to reach satisfactory levels of contract performance they will be given a specified time to improve. If, after the specified time, they still fail to reach satisfactory levels of contract performance, the matter will be escalated to senior management in CPD for further action. If this occurs and their performance still does not improve to satisfactory levels within the specified period, it may be regarded as an act of grave professional misconduct and they may be issued with a Notice of Unsatisfactory Performance and the contract may be terminated. The issue of a Notice of Unsatisfactory Performance can result in the Contractor being excluded from all procurement competitions being undertaken by Centres of Procurement Expertise on behalf of bodies covered by the Northern Ireland Procurement Policy for a period of three years from the date of issue

VI.4) Procedures for review

VI.4.1) Review body

The UK does not have any such bodies with responsibility for appeal/mediation procedures. Instead; any challenges are dealt with by the High Court, Commercial Division, to which proceedings may be issued regarding alleged breaches of the PCR 2015 as amended.

Belfast

Country

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

CPD will comply with the Public Contracts Regulations 2015 and, where appropriate, will incorporate a standstill period (i.e. a minimum of 10 calendar days) at the point information on the award of contract is communicated to tenderers. That notification will provide full information on the award decision. This provides time for the unsuccessful tenderers to challenge the award decision before the contract is entered into.
