Provision of an International Recruitment Compliance Platform

Reference number

1940

II.1.2) Main CPV code

- 80300000 - Higher education services

II.1.3) Type of contract

Services

II.1.4) Short description

USW requires an International Compliance platform as an end-to-end solution for both September and January intakes. The system is used primarily to determine the eligibility of international unconditional offer holders to receive a CAS to apply for a student visa and is used across USW departments from admissions and recruitment all the way to accommodation, finance and academic registry.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £442,050

II.2) Description

II.2.2) Additional CPV code(s)

- 80300000 - Higher education services

II.2.3) Place of performance

NUTS codes

- UKL - Wales

Main site or place of performance

Pontypridd

II.2.4) Description of the procurement

We are seeking a supplier with an expertise in handling international student recruitment process including proficiency in hosting a, UKVI and Immigration Advice Authority (IAA) (formerly known as OISC) or equivalent compliant system which helps manage financial and compliance risk, alongside automated video interviews for applicants from high-risk markets and data insights which better inform the University on its performance versus competitors and the sector.

USW is seeking a compliance platform which meets all aspects of the international student journey. The International Recruitment Compliance Platform will include features such as interview functionality, insight data, conversion and arrival communications
