II.2.4) Description of the procurement

Future Academies is seeking to appoint an experienced and qualified Project Management (PM) consultant to support the delivery of a school rebuilding project. The project, which involves the comprehensive redevelopment of educational facilities, is progressing and we are preparing to tender for the PM services from RIBA Stage 4 and beyond. The appointed Project Manager will play a critical role in ensuring the successful execution and delivery of the project, adhering to the highest standards of quality, timeliness, and cost-effectiveness. The project is anticipated to start on 1st Sept 2025 (subject to planning) and shall run through to Quarter 3 2029, subject to programme.

The Project Management consultant will be required to provide comprehensive services aligned with the key stages of the project, including but not limited to:

1.Planning Support

- Support the Trust during the planning approval period, ensuring timely coordination and resolution of any planning-related matters.
- Liaise with stakeholders to manage planning conditions and ensure compliance with local authority requirements.

2.Pre-Construction Services

- Collaborate with the Architectural Design Team to finalise the design and prepare tender documentation for the procurement of the main contractor.
- Oversee and manage the tendering process, ensuring transparent and competitive procurement practices.
- Support the Pre-Construction Services Agreement (PCSA) period, ensuring alignment between the Trust's objectives and the appointed contractor's approach.
- Prepare and coordinate all necessary documentation for the Design and Build (D&B) contract, ensuring readiness for execution.

3.Construction Phase (RIBA Stage 5)

- Act as Contract Administrator, overseeing the performance and compliance of the main contractor throughout the construction phase.
- Monitor project progress against the approved programme, budget, and quality standards, providing regular updates to the Trust.

- Facilitate effective communication and coordination between the Principal Contractor, Cost Consultant, Design Team, and other stakeholders to resolve any issues that may arise.

4.Handover and Close-Out (RIBA Stage 6)

- Manage the close-out process, ensuring all contractual deliverables, including documentation, certifications, and as-built information, are completed and handed over to the Trust.
- Oversee the snagging process and ensure all identified defects are rectified before practical completion.
- Coordinate the transition to the operational phase, ensuring a seamless handover of the facilities to the Trust.
- Support the Trust during the 12-month defects period, ensuring timely resolution of any issues that arise.
