## **966979347 Market Engagement Questionnaire T1396 Reducing service disruptions from bridge strikes**

Rail Safety Standards Board (RSSB)

UK2: Preliminary market engagement notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-041327

Procurement identifier (OCID): ocds-h6vhtk-056229

Published 18 July 2025, 2:05pm

### **Scope**

### **Description**

The aim of this project is to produce a robust, practical, and evidence-based understanding of how bridge strikes can be more effectively prevented, and to recommend proportionate, modern interventions that reflect today's operational environment.

In advance of the tender process expected to start in September 2025, we are inviting suppliers to provide us a short summary of their capabilities and experience in this subject area to help us deliver a successful project.

For more information about this opportunity, please visit the Delta eSourcing portal at:

---

## **Engagement**

### **Engagement deadline**

1 August 2025

### **Engagement process description**

In advance of the tender process expected to start in September 2025, we are inviting suppliers to provide us a short summary of their capabilities and experience in this subject area to help us deliver a successful project. Given the envisaged scope of work, we would be pleased to receive a short response (up to 5 pages) setting out your potential interest and further information you believe to be relevant using the structure suggested below.
