Description

Anglian Water Services Ltd ("Anglian Water") is currently reviewing options for a digital planning and resource management solution to support our @one Alliance in the short-term planning of engineering and construction activities.

We are seeking a complementary solution to replace spreadsheet-based tools currently used for Engineering Project Plans (EPPs) and other detailed planning activities.

We are looking for options that cover of the following functionality:

1. Task & Schedule Planning
2. Resource Management

3. Template Creation & Plan Automation
4. Integration Capabilities
5. Work Breakdown Structure (WBS) Management
6. Reporting & Dashboards
7. Collaboration & Access

We would like to invite participation in the pre-market engagement exercise by completing the Pre-Market Engagement Questionnaire.

Engagement process description

We would like to invite participation in the pre-market engagement exercise by completing the Pre-Market Engagement Questionnaire. Specifically, the objective of this exercise is to:

- Outline the vision and objectives of Anglian Water's requirements.
- Raise initial supplier awareness, engagement, and opinion.
- Acquire confidence in the viability of our scope.
- Gain insight to the market possibilities.
- Understand risks and issues not previously considered; and
- Prepare the market for a possible forthcoming procurement.

All relevant information can be found on our Market Engagement event, which can be found using the following address:
