Reference number

RM6094

II.1.2) Main CPV code

- 48600000 - Database and operating software package

II.1.3) Type of contract

Supplies

II.1.4) Short description

Trade Remedies Authority, who are the contracting authority, intends to utilise the CCS Commercial Agreement: RM6094 Sparks DPS to put in place an agreement for the Provision of Trade in Goods Data for the Trade Remedies Authority for use by Central Government and UK public sector bodies.

We require detailed international trade in goods statistics reported on a bilateral basis and available at Harmonized Standard (HS) code level and at a national tariff line level.

Data will include volume of trade, value of trade and unit prices.

Data must be reported in a timely fashion, including regular additions of new data and new revisions of data.

At the minimum data must be available for the last complete four years.

The supplier must agree to an essential requirement that TRA uses and analyses their data in our trade remedy investigations, and that TRA publishes excerpts of these data, including analyses of these data and their derived works, in our external and internal publications.

Further information is included in the Additional Information section VI.3.

II.1.5) Estimated total value

Value excluding VAT: £82,500

II.1.6) Information about lots

This contract is divided into lots: No
