Devolved Parliament

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

High Level Maintenance

Reference number

NIC-SER-510

II.1.2) Main CPV code

- 50000000 - Repair and maintenance services

II.1.3) Type of contract

Services

II.1.4) Short description

The Scottish Parliamentary Corporate Body (SPCB) requires a Service Provider to deliver high level building fabric maintenance services.

This involves Planned Preventative Maintenance (PPM), reactive, minor and project change works activities to be undertaken on the high level internal and external building fabric at the Scottish Parliament Building, Holyrood, Edinburgh.

The service will also include hard and soft landscaping maintenance and bird pest control.

Due to the design and complexity of the building, much of the fabric maintenance is only accessible via rope access.

It is considered the highest risk work activity that is undertaken on-site at the Parliament. The SPCB therefore require a specialist Service Provider, with a team based on-site at Holyrood who report directly to the SPCB Facilities Management Team.

The Service Provider must hold full Industrial Rope Access Trade Association (IRATA) Operator membership and maintain this for the duration of the Contract.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 70332000 - Non-residential property services

II.2.3) Place of performance

NUTS codes

- UKM75 - Edinburgh, City of

Main site or place of performance

The Scottish Parliament, Holyrood, Edinburgh, EH99 1SP

II.2.4) Description of the procurement

The Scottish Parliamentary Corporate Body (SPCB) requires a Service Provider to carry out all high level, internal and external aspects of building fabric maintenance including building and window cleaning.

The range of services includes:

- all planned preventative maintenance for all the external and internal fabric of the buildings
- all reactive building fabric maintenance work on an ad-hoc basis above finished floor height
- external cleaning (including windows)
- internal cleaning (including windows)
- maintenance and coatings/finishes from the finished floor upwards
- internal and external ceiling and roof repairs
- cleaning and maintenance of external landscaping
- the provision of bird control measures such as, netting, cleaning and removal

- minor works and project change works.
- snow clearing, proactive and reactive winter gritting
- operation and maintenance of specialist access, lifting and cleaning equipment.
- operation of flying drone survey equipment.

It is anticipated that the contract work will be delivered by a combination of the Service Provider's in house resource and key subcontracts.

The Service Provider must hold full Industrial Rope Access Trade Association (IRATA) Operator Membership and maintain this for the duration of the Contract.

Payment of the Real Living Wage is mandatory as part of the contract conditions. Further information can be found within the tender documentation.

II.2.5) Award criteria

Quality criterion - Name: Technical / Weighting: 60

Cost criterion - Name: Price / Weighting: 40

Contract No

NIC-SER-510

A contract/lot is awarded: No

V.1) Information on non-award

The contract/lot is not awarded

Other reasons (discontinuation of procedure)

Section VI. Complementary information

VI.3) Additional information

Please note there are minimum requirements concerning Cyber Security for this contract to which a pass/fail marking will attach.

Tenderers will be required to complete a Supplier Cyber Assurance Questionnaire. The questionnaire will be aligned to a Cyber Risk Profile that has been established for the contract, based on the SPCB's assessment of cyber risk.

For this contract, minimum requirements also include the holding of Cyber Essentials Certification (or equivalent).

Further details are set out in the procurement documents.
