Section VI. Complementary information

VI.3) Additional information

This is a Provider Selection Regime (PSR) contract modification notice, under the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award. This contract has now been formally modified.'

The Bexley Primary Care Delivery Group discussed and recommended the merger to be approved in their Part 2 (Private) meeting on 11 January 2025. Final approval by the Bexley Wellbeing Partnership Committee on 23 January 2025.

No conflict of interest was identified in respect of the Primary Care Delivery Group meeting.

Conflicts of interest identified among the members of the Bexley Wellbeing Partnership that had approved the merger. Dr. Sid Deshmukh (Lead GP and Senior Partner - Sidcup Medical Centre and Managing Partner - Station Road Surgery) holds the following positions within the Bexley Wellbeing Partnership.

- Chairman - Bexley Wellbeing Partnership Committee
- Chairman - Frognal Primary Care Network
- Chairman and Director - Bexley Health Neighbourhood Care (BHNC)
- Clinical Lead - Frognal Local Care Network (ICB role)
- Clinical Lead - Primary Secondary Care Interface (ICB role)

- Lead GP & Senior Partner - Sidcup Medical Centre
- Partner - Station Road Surgery.

The non-conflicted members have assessed the nature and risk of this conflict, and have decided to exclude Dr Deshmukh from related discussions and the meeting when the decision was made.

Sidcup Medical Centre

London

Country

United Kingdom

NUTS code

- UKI6 - Outer London – South

NHS Organisation Data Service

G83066

The contractor/concessionaire is an SME

No

VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

This is a merger of Sidcup Medical Centre and Station Road Surgery GP services. The Sidcup Medical Centre contract will be varied with effect from 01 October 2025 to include the Station Road Surgery premises as a branch-site of Sidcup Medical Centre and the current contract holders of Station Road Surgery will be added to the Sidcup Medical Centre PMS contract as contract signatories. Patients will be offered a choice to remain

with the merged practice or re-register with another local practice. Those who chose to remain will be transferred over to the Sidcup Medical Centre patient list under their ODS code G83066. The current Station Road Surgery PMS contract will be terminated. The Sidcup Medical Centre contract value will increase as it is driven by registered list size and as a result of the merger there will be a significant increase of patients.

VII.2.2) Reasons for modification

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

The Contract holders of Sidcup Medical Centre and Station Road Surgery have submitted a proposal to merge their individual PMS contract and consolidate the delivery of primary care medical services under the existing Sidcup Medical Centre contract (G83066). The Station Road Surgery site will become a branch site of Sidcup Medical Centre and patients will be able to attend the Station Road branch or any of the other branch surgeries of Sidcup Medical Centre. The main reason for the merger is to stabilise Station Road Surgery and secure the long-term service provision for its patients.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £2,938,900.37

Total contract value after the modifications

Value excluding VAT: £4,271,080.57
