- 72212190 - Educational software development services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

Jisc is seeking information about software assessment solutions designed to support a

broad range of assessment and feedback processes, including tools for adaptive workflows, integration with learning management systems, AI-driven analysis, and personalised feedback capabilities.

We are interested in hearing from vendors who may wish to participate in a future licensing arrangement. Solutions should address most or all of the following:

We are exploring solutions related to: Holistic Assessment; Automated Feedback and Grading Systems; Feedback Management Systems; Online Testing and Examination; Peer Review Processes.

This PIN is for consultation purposes only. It aims to explore the market's capacity to provide innovative and effective software tools for a wide range of assessment and feedback needs. Interested parties should respond using the contact email to express interest, and are free to provide links, case studies, indicative pricing and any other materials that provides Jisc with an insight into your solution(s).

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.3) Estimated date of publication of contract notice

24 February 2025

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.3) Additional information

Re: I.3) Communication - Please note that there is no document to respond to at this stage (this is standard language that is used in the eForm that cannot be amended).

Interested parties are encouraged to respond as soon as they are able; this is not a tendering exercise and we are not looking for formal proposals at this stage.

We also have no fixed date for when any future arrangement might become live, though every effort will be made to conduct any future procurement with pace.

VI.4) Procedures for review

VI.4.1) Review body
