Published 21 July 2025, 10:26am

Changes to notice

This notice has been edited. The [previous version](#) is still available.

Extension to the tender submission deadline. (Amended from 28/07/2025 to 08/08/2025)

Scope

Description

Building upon the Environment Agency (2025) evidence review, and considering the findings of Çelik et al. (2025), we are looking to employ a contractor, with expertise in

performing D. magna ecotoxicology studies and method development, to perform a comprehensive assessment of the use of D. magna for screening the B potential of substances. This is being procured under the Research and Development exemption (Schedule 2, Part 1, Section 22 Procurement Act 2023). Please find below a link to the pre-market engagement notice: <https://www.find-tender.service.gov.uk/Notice/032740-2025>
