## **Dangerous Goods & Waste Management Safety Advisor.**

Mid Yorkshire Hospitals NHS Trust

UK2: Preliminary market engagement notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-041529

Procurement identifier (OCID): ocds-h6vhtk-0562ac

Published 21 July 2025, 10:33am

### **Scope**

### **Description**

Mid Yorkshire Teaching NHS Trust produces more than 333kg of UN3291, clinical waste per year, we must have a dangerous goods safety advisor (stipulated within ADR regulations). The dangerous goods safety advisor (DGSA) verifies we are compliant and following correct guidance for using and disposal of radiological substances, Hazardous chemicals, Clinical and Non-Clinical waste and any other operational changes within any attached Healthcare technical manuals (HTM, usually HTM 07/01 clinical waste). Other responsibilities of the DGSA are to monitor compliance within the trust completing yearly audits, feeding back to our executive team as a neutral party, attending waste committee meetings, compiling information for submitting to government agencies (ERIC report) as well as being the technical expert for any new or continuing venture the trust decides would support the overall NHS waste strategy.

### **Total value (estimated)**

- £60,000 excluding VAT

- £72,000 including VAT

### **Contract dates (estimated)**

- 3 November 2025 to 2 November 2028
- Possible extension to 2 November 2030
