VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

The value of this contract (£5,640,000) was above the UK threshold therefore the Public Contracts Regulations 2015 applied.. . The Regulations permit the modification of a contract where the changes proposed meet one or more of the prescribed tests as set out under Regulation 72. . Having considered the information provided there would appear to be convincing reasons to modify this contract in accordance with Regulation 72(1)(b) for additional works, services or supplies that “have become necessary” and were not included in the initial procurement and a change of supplier would not be practicable (for economic, technical or interoperability reasons) and would involve substantial inconvenience/duplication of costs - provided the change does not exceed 50% of the value of the original contract. .This modification is for up to 6 months from 15 January 2025 until 14 July 2025, this should be sufficient time to let a new contract, there is no increase in value.

VII.2.2) Reasons for modification

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

Creative advertising, this short modification of 6 months is not to circumvent the Regulations but required to ensure the Department can meet advertising requirements whilst a new tender competition is expedited

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £5,640,000

Total contract value after the modifications

Value excluding VAT: £5,640,000
