### **Scope**

### **Reference**

NGRP0084

### **Description**

Norse Highways, a Trading division of Norse Eastern, undertake a programme of planned routine maintenance including patching, highways improvements and an element of privately funded work attached to the highway.

Norse Highways are seeking suitably qualified service providers to be appointed to a closed framework for planned routine maintenance for carriageway layered patching, footway patching and pothole reinstating, split over three LOTS (LOTS 1-3) for works to be undertaken across Norfolk.

Each LOT (LOTS 1-3) will be split into two areas - Norwich City and Norfolk.

Bidders must be able to provide services in both areas and can submit bids for one or all LOTS. There will be a maximum of 6 suppliers appointed to each LOT.

An additional LOT (LOT 4) will be available for Carriage Way re-surfacing works which are larger scale requirements and not included the planned maintenance. LOT 4 will be evaluated on Quality and Social value only for Bidders to gain a place on the Framework for this LOT. A further competition will be undertaken to award works based on criteria of price and availability. LOT 4 will not be restricted to maximum number of suppliers.

Bidders can submit a response for one or all LOTS.
