Scope

Description

Pre-Market Engagement (PME) Notice – Term Maintenance Contracts - Specialist Trade(s) & Works

West Northamptonshire Council is launching a Pre-Market Engagement exercise to shape the future procurement of Term Maintenance Contracts, scheduled for formal launch in September 2025. This initiative is designed to engage the market early, gather supplier feedback, and inform contract strategy across a wide range of building and estate maintenance services.

Following local government reorganisation in 2022, the Council seeks to move beyond interim arrangements by establishing long-term contracts that promote strategic partnerships, reduce frequent procurement cycles, and comply with current legislation including the Procurement Act and the Building Safety Act.

Key Objectives:

*Foster collaborative supplier relationships

- *Encourage involvement from national and local providers
- *Promote transparency, compliance, and community benefit
- *Strengthen local supply chains and workforce development
- *Use familiar standard contract forms
- *Enable training and CPD opportunities

Procurement Strategy:

- *Frameworks and single supplier arrangements
- *Clearly defined service-area lots (e.g. roofing, fire systems, catering equipment)
- *Mix of mini-competitions and direct awards (where appropriate)
- *Flexible framework duration (up to 8 years), with reopening options

Procurement Area Specialist:

- * Roller and automatic doors, gates and shutters: Framework 4 suppliers to be awarded initial framework length 4 years. 8 years total contract terms. with minimum two re-openings
- *firefighting systems (fire hoses, dry risers, wet risers, fire and oxide protection, other firefighting systems including equipment), fire suppression systems (sprinklers, deluge systems, gas firefighting, foam firefighting, other fire suppression). Framework 4 suppliers to be awarded initial framework length 4 years. 8 years total contract terms. with minimum two re-openings
- * Play equipment design, installation, maintenance and inspections Framework 4 suppliers to be awarded initial framework length 4 years. 8 years total contract terms. with minimum two re-openings .
- *Catering equipment – design, install, maintenance inspections and servicing. Framework 4 suppliers to be awarded initial framework length 4 years. 8 years total contract terms. with minimum two re-openings
- *Space heating and air conditioning – central heating, local heating, central cooling, local cooling, central heating and cooling systems, local central and heating systems central air conditioning and local air conditioning. Framework 4 suppliers to be awarded initial framework length 4 years. 8 years total contract terms. with minimum two re-openings

Important Note: Registration is required to attend PME events. Participation in this engagement does not guarantee future contract opportunities; outcomes depend on the results of PME and internal governance decisions..
