The school proudly occupies its original structures but has grown significantly over the years with the addition of supplementary buildings. The most recent addition to the school's impressive facilities is a state-of-the-art sports hall completed in 2021. Additionally, the main dining area and kitchens have been refurbished, and a new dining area has been constructed specifically for sixth-form students. With excellent facilities, the school offers high-quality teaching and learning across the curriculum, with a strong focus on extracurricular programs such as sports, dance, drama, and musical theatre.

The school is mixed gender with approximately 1100 students aged between 11 to 18. (Year 7 to sixth-form).

Beechview Academy:

Beechview is a small Junior school located in east High Wycombe primarily focusing on Key Stage 2 (Year 3 to Year 6). Since joining the Trust in 2016, it has had significant investment in transforming the facilities of the school. The school has approximately 172 pupils.

Great Marlow School:

Is a large secondary school in Marlow that continues to grow and is in a position to be an oversubscribed school of choice. Since 2023, and with the support of local authority funding, there has been an extensive building program. This includes new performing arts facilities, and a stunning two-storey block adjacent to the hall, which contains seven new classrooms and a revamped school entrance. At the same time, the size of the dining facilities has been doubled.

The school is mixed-gender, with approximately 1,450 students aged 11 to 18, of which 250 are sixth-formers.
