THIS ADVERT IS FOR A MARKET ENGAGEMENT EVENT

NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) are seeking to commission a North Nottinghamshire Specialist Wheelchair Service for Children, Young People and Adults. This notice intends to identify providers who would like to express an interest in providing the above service and to invite all interested parties to attend a Market Engagement Event with NHS Nottingham and Nottinghamshire ICB. The contract value and duration information will be covered as part of the market engagement presentation pack.

The overall objective of the Service is to ensure that the clinical needs and outcomes of service users who meet the Eligibility Criteria for a wheelchair in North Nottinghamshire are met in the most cost-effective way. To achieve this, the aim of the North Nottinghamshire Wheelchair Service is to:

- Deliver a safe, effective, responsive and integrated service to meet the needs of Service Users, their families and carers with long term mobility conditions.
- Deliver the right assessment, prescription and review of Service Users to ensure the provision of wheelchair/seating meets the individuals' long-term mobility and associated postural management need.
- Ensure Service Users receive a holistic (including lifestyle, social, educational and family/carer requirements) assessment through close working with health, education and social care professionals where required,
- Ensure Service Users receive a timely and efficient service so that their mobility needs are met as quickly and with as few contacts with the Service as possible i.e. to complete the episode of care with minimal disruption to the Service User
- Ensure that the right data is captured, in the right way and at the right time, so that service development and future commissioning decisions are taken in the most informed and robust way possible.

The event details are as follows:
