Description

Strategic Command, as part of the Ministry of Defence (MoD), require a service that provides and installs salvaged aircraft hulls at a secure facility that is provided by the Contractor. The facility must be suitable for hosting MoD-led real life airplane tactical entry training sessions. These sessions are foreseen to be needed once or twice every six months. Please see the ITT pack for further details.

This procurement is being tendered with Defence being applied as the special regime. This contract qualifies as a Defence contract in accordance with section 7 (g) of the Procurement Act 2023.

Total value (estimated)

- £650,000 excluding VAT
- £780,000 including VAT

Above the relevant threshold

Contract dates (estimated)

- 25 September 2025 to 24 September 2028
- Possible extension to 24 September 2030
- 5 years

Description of possible extension:

The Contract is anticipated to be let on a 3+1+1 basis, meaning that two additional Contract years may be invoked at the sole discretion of the Authority.

Options

The right to additional purchases while the contract is valid.

All services that are anticipated to be delivered through this Contract will be via a Tasking Order Form Process. Any services rendered by the Contractor will incur expenditure against a limit of liability. There is no guaranteed volume of services to be provided by the Contractor through this Contract. Please see the ITT pack for further details.
