## Description

Pre-Market Engagement (PME) Notice

Title: West Northamptonshire Council – Term Maintenance Contracts (Pre-Market Engagement)

Notice Type: Pre-Market Engagement (PME)

Publication Date: 21 July 2025

Authority Name: West Northamptonshire Council

Region: East Midlands (England)

Overview: West Northamptonshire Council is undertaking a Pre-Market Engagement (PME) exercise ahead of a formal procurement process for Term Maintenance Contracts, anticipated to launch in September 2025. This process will help inform the market, collect feedback, and shape the final strategy for building and estate maintenance services.

Background: Since the 2022 local government reorganisation, contracts inherited from legacy councils have been maintained through interim arrangements. With the Procurement Act now active, the Council intends to establish long-term contracts that strengthen strategic partnerships and reduce re-procurement frequency.

Objectives:

Develop collaborative long-term relationships with suppliers

Attract both local and national providers

Maintain fair, transparent procurement processes

Use standard market-recognised contract forms

Deliver social value and community benefits

Support the local supply chain and workforce

Comply with Building Safety Act and H&S standards

Enable CPD and skills development

Approach:

Frameworks with multiple suppliers

Mix of mini-competitions and direct awards

Clearly defined service area lots (e.g. roofing, electrics)

Open framework up to 8 years, with minimum two re-openings

Direct awards permitted in exceptional cases
