Award criteria

Name	Description	Type
Quality	The Quality will be scored out of 100 to obtain a relevant quality weighting. This will then be used in calculating the Price per Quality point. Please read the ITT found on ProContract for further details.	Quality

Weighting description

The Authority will use a price per quality point assessment for the evaluation of this tender. The bidders price will be divided by their over all quality score to determine their price per quality point ratio. From the results, the lowest price to quality point provider wins. For further information, please review the evaluation section of the ITT found on ProContract here: <https://procontract.duenorth.com/Advert?advertId=44684548-d466-f011-813a-005056b64545>
