POW-FTS-59118

### **Description**

Specialist support for engagement and consultation quality assurance for Better Together. The health board is keen to engage with an organisation with proven experience of advising on quality assurance for engagement and consultation around transforming health services in Wales.

Discussions including engagement and/or consultation regarding the future shape of health services can publicly and politically sensitive, and we are therefore seeking to engage specialist support to advise on quality assurance for the consultation process, with a specific focus on the key consultation risk areas.
