PME 0725 PSLA

Description

Hertfordshire County Council are carrying out Preliminary Market Engagement to explore options for commissioning a regional provider that can support with a consistent approach to pharmaceutical advice, PGD development, and public health medication governance across participating Local Authorities in the East of England.

The Council will consider the feedback received to help inform the Council's options and further decision making. For the avoidance of doubt, this stage of the project is not part of a formal procurement process, and the Council is not committing, at this stage, to carrying out such a process. Participation or non-participation in the PME shall not prevent any provider participating in a potential future procurement, nor is it intended that any

information supplied as part of the PME shall place any provider at an advantage in a potential procurement process. Participation in the PME will be at each organisations own cost. No expense in responding to this PME will be reimbursed by the Council.
