Other information

Description of risks to contract performance

Failure to meet KPIs could jeopardise the performance of the contract.

Conflicts assessment prepared/revised

Yes

Procedure

Procedure type

Open procedure

Justification for not publishing a preliminary market engagement notice

The specification used in this procurement was consistent with previous iterations and did not undergo any material changes. As such, the requirements were clearly defined, and

the procurement process followed a proven and effective approach. The procurement was conducted within a well-understood and stable market, which significantly reduced the risk of unforeseen outcomes.
