Description

This Preliminary Market Engagement Notice is placed to inform the market of the Integrated Care Boards (ICBs) for NHS Bristol, North Somerset and South Gloucestershire (BNSSG),

Somerset and Devon (the Authorities 's), intention to recommission Healthcare Waste Collection in Primary Care and Community Pharmacy.

The Authorities would like to understand the level of provider interest in delivering these services and requests feedback from experienced organisations using a Market Engagement Questionnaire.

This is the second round of market engagement for this requirement, following a previous market engagement (REF2025/S 000-010158) published 19th March 2025 . The specification and supporting documentation has been updated significantly since then and we would encourage all interested parties that have previously submitted market engagement responses to view our updated question set and respond accordingly. Equally we also welcome newly interested parties to engage with and respond to our question set.

The service will provide a Primary Care and pharmacy medical waste collection and disposal/recycling for the 3 ICBs in the South West;

- NHS Devon ICB
- NHS Somerset ICB
- NHS Bristol, North Somerset & South Gloucestershire ICB

These 3 ICBs are looking to re-procure in the near future (anticipated to be tendered in Nov 2025), all of their current contracts for Primary Care Clinical Waste Collection and disposal/recycling predominantly and Community Pharmacy. The intended service for tender include:

1. Collection & transport of clinical waste and pharmaceutical waste.
2. Storage of clinical waste and pharmaceutical waste

3. Treatment of clinical waste and pharmaceutical waste

4. Incineration of clinical waste and pharmaceutical waste

5. Provision of reusable and single use containers for

clinical waste and pharmaceutical waste

6. Decontamination of reusable containers for

clinical waste and pharmaceutical waste

7. Promoting waste segregation and compliance

8. Clinical waste and pharmaceutical waste tracking and data The purpose of this notice is to provide a summary of the services to be procured, share the service specification and to

obtain feedback that will help support a safe, sustainable, environmentally effective and cost-efficient quality service.

TUPE may apply to this process.
