Description

This procurement proposal seeks to continue funding the CIPFA Level 7 Diploma, developed in partnership with the Institute of School Business Leadership (ISBL), aimed at supporting School Business Professionals (SBPs) through targeted bursaries. For the 2025/26 period, the number of bursaries will increase from 58 to 72, covering 75% of the course costs. This expansion responds to strong demand-evidenced by 105 expressions of interest-and consistently positive participant feedback. The bursaries are specifically directed at SBPs working in schools with budget deficits or limited CPD (Continuing Professional Development) resources, across all educational sectors.
