Scope

Description

Create a framework that focuses on the following Professional Services: Employers Agents, Valuations and Multi-Disciplinary Services

Framework will run for 8 years as an Open Framework and be re-opened at least once during the first 3 years and again in the following 5 years

The Framework will consist of:

o Lot 1: Employers Agents - this is a role primarily used in design and build contracts, where the employer delegates responsibilities to a professional representative. The EA acts as the client's main point of contact with the contractor, ensuring that the project is delivered according to the contract, specifications, and budget.

o Lot 2: Valuations - assessing the value of work completed at a given point in time.

o Lot 3: Multi-Disciplinary - to encompass project management, quantity surveying, architects, engineers and other services relating to the design and build contracts
