IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- No tenders or no suitable tenders/requests to participate in response to restricted procedure
- The services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

The Defence Equipment & Support, part of the UK Ministry of Defence (the “Authority”), intends to award a contract to Fujitsu Services Limited for enhanced Break/Fix Support Solution for the provision of software, hardware and warranty support for the Typhoon Engineering Support Sub-system (ESS) during the 40-Month period of 1 Jan 2025 – 30 Apr 2028. The estimated contract value is £TBC excluding VAT.

In accordance with regulation 4 of the Defence and Security Public Contracts (Amendment) (EU Exit) Regulations 2019 (SI 2019/697) this procurement falls to be regulated under the provisions of the Defence and Security Public Contracts Regulations 2011 as amended (in particular by SI 2019/697 and SI 2020/1450). Prior publication of a contract notice in the Official Journal of the European Union is no longer appropriate.

BAE Systems (BAES), as the System Design Authority (SDA), determines the type and specification of the hardware and software required. Fujitsu Services Limited are the only supplier authorised by BAES to supply SDA-approved equipment, spares support, and to provide OEM certified firmware updates to the installed ESS Hardware. All of this assures the validity of the design and use criteria detailed in the Declaration of Design and Performance (DDP) which covers the safety and airworthiness of the product and therefore the platform.
