Scope

Description

LBH is seeking to commission Sundry Debt Collection Services, including the collection of sundry debt, leasehold debt, major works debt, housing benefits overpayments, former tenant arrears (FTA) and Adult Social Care debt.

Vision:

To maximise income to the council through a proactive, seamless and efficient Sundry Debt Collection service that operates with clarity, control, and flexibility. We will maintain a commitment to timely billing arrangements, transparency, data-driven decisions, alignment with court protocols and the consistent application of the relevant debt policies in the delivery of the service. Service data will be of a good quality and used to build a single view of debt.?

The service will have measures in place to encourage the right behaviour from our debtors. We will have an effective recovery process in place which will provide debtors with a clear understanding of the consequences of non-payment, as well as ensuring that effective support is provided to people in debt, such as providing or signposting them to debt advice. ?

Departments will be able to navigate the processes in place easily, enabling them to respond to queries about charges or to confirm payment status and provide or withhold the service if applicable, however we will promote self-service options to reduce the need for queries.
