II.1.4) Short description

The purpose of this Flexible Framework Agreement (FFA) is to create a list of Providers who can offer high quality independent supported living services for adult with high level care and support needs.

In order to deliver this Contract, you will be required to evidence that you hold current

CQC registration for the provision of Personal Care for the particular client group you are bidding for and have a proven track record of delivering similar services.

The Council is creating this FFA without restrictions to the number of Providers who can join, only that they meet all the requirements of the application process and Service Specification.

The Flexible Framework Agreement (Contract) will be an open framework for new applications every three months throughout the duration of the Contract to give Providers the opportunity to join the FFA during its life.

The Contract consists of 2 Lots:

Lot 1 - Learning Disabilities and / or Neurodevelopmental Disorders

Lot 2 - Mental Health Needs

Applicants may apply for one or both lots.

Suppliers will be required to express interest in this opportunity on the NEPO ProContract system. If not already registered on ProContract please register at the following link: <https://procontract.due-north.com>. Suppliers will then be granted access to the application documentation - Project Number DN714950. Please note that registering on ProContract and expressing interest does not mean that you have bid for the tender - once the above steps are complete you will be required to complete and submit the flexible framework application documentation.
