Description

Life Sciences Hub Wales seeks to procure and implement a framework agreement for the provision of Video Production.

A range of videos are required by Life Sciences Hub Wales to help articulate how the organisation adds value to the life sciences innovation ecosystem in Wales through storytelling, bringing projects to life through case studies, stakeholder interviews and explainer videos.

All videos must be of high quality, clearly demonstrating how Life Sciences Hub Wales has supported health, care and industry organisations to introduce and promote innovation.

The intention is to award a position on the framework to a single supplier. Each instance of activity as required by Life Sciences Hub Wales will be called off via the framework as a

distinct package of work.

Full details of the requirement are provided in the Invitation to Tender document uploaded to Sell2Wales.
