### **Scope**

### **Reference**

IA3594

### **Description**

The purpose of the Framework Agreement is to ensure that all Emergency Lighting and Associated Battery systems are maintained in a safe and operational condition through a process involving inspection and testing at approximately 506 properties covering mostly in Staffordshire, with a small number located in Cheshire, Lancashire, Derbyshire and the West Midlands.

The properties will include all types of buildings operated by a Local Authority including educational, residential care homes, civic buildings, offices, fire stations, enterprise centres and small industrial units.

A 24/7 callout facility is required to deliver responsive maintenance activities with a 4-hour response limit.
