I.4) Type of the contracting authority

Body governed by public law

I.5) Main activity

Other activity

Waste Management

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

The provision of services for the receipt, storage, bulking and transfer of Municipal Waste

II.1.2) Main CPV code

- 90510000 - Refuse disposal and treatment

II.1.3) Type of contract

Services

II.1.4) Short description

The Authority invites tenders for the provision of services relating to the receipt, storage and bulk transfer of municipal waste primarily for use by Lisburn and Castlereagh City Council. Due to the nature of the Relevant Member Councils requirements there is a specific geographical constraint which defines the location of the Delivery Point to which the municipal waste is to be delivered for this Contract. Over the Term , there is the possibility but no guarantee, that other material waste streams may also be included within the scope of the Contract and/or the nature and degree of segregation of the municipal waste may change. The appointed Contractor will also be responsible for collating and reporting data and reporting performance relevant to the Contract.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £10,000,000

II.2) Description

II.2.2) Additional CPV code(s)

- 34144511 - Refuse-collection vehicles
- 90512000 - Refuse transport services
- 90511200 - Household-refuse collection services

II.2.3) Place of performance

NUTS codes

- UKN0 - Northern Ireland

II.2.4) Description of the procurement

The Authority invites tenders for the provision of services relating to the receipt, storage and bulk transfer of municipal waste primarily for use by Lisburn and Castlereagh City Council. Due to the nature of the Relevant Member Councils requirements there is a specific geographical constraint which defines the location of the Delivery Point to which the municipal waste is to be delivered for this Contract. Over the Term , there is the possibility but no guarantee, that other material waste streams may also be included

within the scope of the Contract and/or the nature and degree of segregation of the municipal waste may change. The appointed Contractor will also be responsible for collating and reporting data and reporting performance relevant to the Contract.

II.2.5) Award criteria

Quality criterion - Name: Technical / Weighting: 30

Cost criterion - Name: Financial / Weighting: 70

II.2.11) Information about options

Options: Yes

Description of options

The initial term of the contract is for 36 months. The Authority then has options to extend the duration of the contract for up to a further 24 months. In addition, the Authority reserves the right, should the circumstances merit it, to extend for another period of up to 24 months giving potential total contract terms of 84 months.

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

The value included in section II.1.7 is the estimated value based on the gate fee received by the successful tenderer, multiplied by the current forecasts of tonnage and incorporates an adjustment for indexation. The contract envisages that there may be changes that require the acceptance of additional waste streams and/or the separation of waste streams that may need to be transferred to different delivery points over the term which may also affect the contract value. The figure also relates to the maximum possible duration of the contract which is 84 months.

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Open procedure

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
