HC2210- Integrated Sexual Health Service in Wiltshire

Description

This is a Preliminary Market Engagement Notice to seek engagement with the market place to gather information associated with the Integrated Sexual Health services and the HIV treatment services in Wiltshire

We are seeking views on proposed elements of the service which will help guide the final service specification and service design. We are seeking innovation which focuses on prevention and reducing health inequalities. We would also like to understand the opportunities within the provider market to evidence which PSR route is relevant for this opportunity to ensure all decisions are made with the best interest for residents and service users in Wiltshire.

To help support our future procurement of sexual health services we'd like to seek views

on potential service models and design of future services to improve access and ensure the best service design for Wiltshire resident. Interested potential suppliers are encouraged to participate to better understand a market view of the potential requirements through the completion of a Questionnaire. Any interested suppliers are required to submit their response through the Supplying the South West portal
