Description

Tower Hamlets council aims to improve the health and wellbeing of residents. Public Health Enhanced Services delivered within primary care in Tower Hamlets are a key way to achieve this. These services encompass a range of health interventions aimed at improving population health outcomes, specifically targeting areas such as sexual and reproductive health, cardiometabolic disease prevention, and substance misuse.

Tower Hamlets General Practitioners (GPs) have long-established provision of a range of Public Health enhanced services to address substance misuse, provide for sexual health and undertake NHS Health Checks. Locally these are called Network Improvement Services (NIS). These services are in addition to the GP core contract commissioned by NHS England. The enhanced services provided include:

GP Sexual Health and Reproductive Services (SRH)

NHS Health Checks (NHSHC) programme

Primary Care Substance Misuse Services, including shared care for OST and screening and referral related to alcohol harms.

Contract dates (estimated)

- 19 May 2026 to 18 January 2028
