Description

The purpose of this Preliminary Market Engagement (PME) is to gauge interest from the market and to investigate potential options for a contract for the Collection/Delivery and Treatment of Household Chemicals. These will be a mixture of Acids, Alkalines, Nox Cylinders, Oils, etc. Collections will be from our waste sites and we will also require collections from the roadside for fly tipped chemicals. This is not an invitation to bid, this is solely a request for information (RFI) and no direct business will be awarded as a result of completing this RFI. Responding to this document does not advantage or disadvantage any supplier in any possible future procurement process. No supplier selection or supplier preference is implied.
